## Help At-Risk Students in Our Community

**Communities In Schools of Wake County (CIS Wake)** connects students with one-on one with a caring adult tutor/mentors, community resources and educational opportunities to help them succeed in school and in life.

To ensure that at-risk students in the Wake County Public Schools have the tools they need to succeed, CIS Wake is collecting school supplies to help our 1,000 students and additional Wake County students be prepared to succeed in school.
