

NC State Student Ticket Baseball Policy

Section 11, 12, and 13 (Located along the 3rd baseline past the dugout) are now considered General Admission sections, where as the rest of the stadium is completely reserved seating. As way to ensure the best possible crowd support for the team, students now have the option to sit in those General Admission sections, along with other fans choosing to purchase tickets for that area, or sit on the Student Grass Hill. All students entering the game once the General Admission sections are full will be asked to sit on the Student Grass Hill.
