How Can I Contribute to the NC State Cheerleading Scholarship Fund

1. Select which fund you would like to donate to:
 - **Ouida Bell Endowment** – an account that funds scholarships based on interest accrued on the principle that has been contributed to the account. The principle is maintained in the account to fund scholarships for subsequent years. The interest determines the amount that is dispersed annually. This fund is located in the NC State Alumni Foundation
 - **Ouida Bell Scholarship Enhancement Fund** – an account that will contribute a portion of its donations to the Ouida Bell Endowment to continue the longevity of our scholarship fund; however its main purpose is be immediately used to fund scholarships for the current or subsequent year. This fund is located in the NC State Foundation
